

Etapa 2 – Interface

- Proposta de interface (telas e navegação) para o futuro sistema.
(Potenciais ferramentas: Figma, Balsamiq, Proto.IO, ProtoPie.IO, Adobe XD).
- Observar as recomendações de Nielsen e as boas práticas de projeto de interface.

The image shows a login interface for the FIFA World Cup Qatar 2022. At the top left, the word "Login" is written in a small, light font. Below it is the official logo of the tournament, which features a stylized white and red emblem. To the right of the logo, the text "FIFA WORLD CUP" is displayed in a bold, white, sans-serif font, with "Qatar 2022" below it in a similar but slightly smaller font. The background is a solid dark red. Below the header, there are two input fields: "Email" and "Password". The "Email" field is a simple rounded rectangle with a white border. The "Password" field is similar but includes a white eye icon on the right side to toggle visibility. Below the password field is a radio button labeled "Remember me". A large, rounded "Login" button is positioned below the "Remember me" option. Underneath the button is a link that says "Forgot password?". At the bottom of the screen, there is a link that reads "Don't have an account? Sign Up".
